

PRAY 24/7

Pray 24/7 Prayer Prompt:

Praying for God to strengthen and restore his design for family.

Thank you for joining with other members of our church family for Pray 24/7! We believe that God does things when we pray that he doesn't when we don't.

Prayer Focus: Pray for God to strengthen and restore his design for family. The enemy wants to destroy families. No matter our personal circumstances, we can invite God into our family journey.

- **ME** – Regardless of what my experience has been, pray for God to restore any brokenness and bring healing and restoration. Bring to God any pain, unmet expectations, or loss you have experienced or are feeling on this topic.

“I will remain confident of this: I will see the goodness of the Lord in the land of the living. Wait for the Lord; be strong and take heart and wait for the Lord.” Psalm 27:13-14

- **MY CHURCH AND COMMUNITY**– Pray that God can make our church a place where people can find the belonging they are looking for. Pray for our church to be a helpful place for people to learn about God's desire for family. Take a moment and pray for any family needing restoration or healing.

“The Lord is my strength and my shield; my heart trusts in him, and he helps me.” Psalm 28:7a

- **MY REGION AND WORLD** – One of the most powerful schemes of the enemy is to destroy the family unit. The enemy wants to destroy families because it represents God's love and the gospel (Ephesians 5). Pray for many people to experience spiritual awakening and say “yes” to getting baptized on Pentecost weekend. Pray that this salvation will bring healing and restoration to many families, particularly in areas of unrest in our world.

“For anything that becomes visible is light. Therefore, it says, ‘Awake, O sleeper, and arise from the dead, and Christ will shine upon you.’” Ephesians 5:14

To finish, meditate on what God wants you to take away from his Word, or from your time with him today. Invite him to guide your words and thoughts as you go about your day.
